

VOLUNTEER TO MONITOR KARNER BLUE BUTTERFLY

Volunteers will receive training on the federally endangered Karner blue butterfly's life cycle, habitat, and identification. Participants will be taught how to easily collect and submit important Karner and habitat data that will help aid recovery efforts. Click on the link below to sign up for the training date you'd like to attend. [Water bottle, hat, sunscreen, bug spray, hiking boots, smart phone/camera]

2018 Training Dates:

June 16th (10am-12pm) Hartman Creek State Park (June 17th rain date)

June 23rd (10am-12pm) Sandhill Wildlife Area (June 24th rain date)
